Dear Mr. Rimoldi:

The Board of County Commissioners, during regular session on Wednesday, September 20, 2006, appointed you to serve on the Building Board of Adjustment, Appeals and Examiner. The term is effective through September 20, 2008.

We appreciate your willingness to give your time and energies to serve the County in this manner. One of the most valuable resources of any government is the citizen who gets involved and works to help solve problems.

I cannot adequately express to you the importance the County places on your participation. I believe Hillsborough County is unique in the number of citizens who have a direct input into the government. The caliber of membership is outstanding and the service invaluable.

Enclosed is a disclosure form as membership on this committee requires annual financial disclosure.

If you have not been contacted regarding your appointment prior to receiving this letter, please call the staff person indicated on the attached information.

Again, thank you for your service to our community.

Sincerely,

Jim Norman, Chairman
Board of County Commissioners
